This money will go back into Thurcroft's pot of money. £176,000 has been allocated for Year 2 and the first £80,000 is already in the bank. The Pavilion costs are not included in this. There is £3,539.04 in the unrestricted funds account.</p>

The partnership has previously agreed to support this project and have set aside some money. A discussion took place regarding the security of the new playground and all agreed it would be a good idea to install security cameras to protect this. It was also agreed that a high fence would be really beneficial as this can be locked on an evening. The partnership agreed they would be happy to be part of a rota system for opening up and locking up the playground. RC to ask JB for a quote for the camera and fencing.</p> <p>Pavilion Project</p> <p>Four people have put forward a proposal to do the Business Plan for the Pavilion. A meeting will be held on Friday morning with CM, RC, Royce Hall (Thurcroft Club) and Sam Keighley (Social Investment Rep for Big Local) to discuss the proposals and select someone to write the Business Plan. CM advised that she has received an email from Ian Lalley and he is happy for us to proceed with the Business Plan.</p> <p>AS advised that the Local Trust have received the documents from the Charity side of the Club and they are happy for the Club to be the LTO for the Pavilion Project.
