Pit Top – ABr gave an update on the pit top. RMBC are a minority shareholder of the company who owns the land. This land will be used as landfill starting in July 2018. They will consult with the local community about what happens to the land afterwards. It was suggested to invite someone from the company to one of the future meetings.
2.3	Public Art Money has been received through Section 106 for some public art in the village. ROAR attended the meeting and showed some examples of public art including architecture, sculptures, murals, carnivals etc. A steering group has been set up for this project. Consultation will take place with the village to find out what they would like to see.
2.4	Partnership as a Constituted Group A brief discussion took place at last month's meeting about becoming a constituted group. Becoming constituted will allow them to apply for their own funding which will help them continue after the 3 years. SR ran through a draft constitution. SR spoke about getting charity status as this attracts much more funding, however, this is more difficult. It was suggested maybe setting up several smaller groups i.e. one for events, luncheon club, young people etc. It was agreed that if Big Local wants to continue they do need to find their own funding.

DO said that any help with the setup of the gala i.e. putting tents up and getting the bins out etc. would be much appreciated as this year we will be short on volunteers. The leaflets will be delivered a couple of weeks before the event.</p> <p>Day Trips – Two trips have been booked for families, one to Canon Hall on Friday 24 August and one to Cleethorpes on Friday 10 August. An adult’s only trip has been booked to Blackpool on Friday 17 August.</p> <p>End of War Event – A tea dance has been organised for Wednesday 7 November from 2pm until 5pm to celebrate the 100th Anniversary of the end of the war.
