

Guidance

What Are These Grants For?

We will be awarding small grants from £50 up to £500 that benefit Thurcroft residents. They need to support one of the three themes in the Big Local Plan- community pride, regeneration or children and young people. We will not fund statutory work unless it adds additional value (for instance, work the Council or Health Service should provide by law). We would particularly welcome new, interesting and exciting projects that benefit Thurcroft residents.

Who Can Apply?

Any Thurcroft Group or resident can apply. Your project needs to demonstrate some benefit to the residents of Thurcroft. New applicants are particularly welcome to apply. If you are under 16, you will need an adult guarantor to support your project. You can only apply for one grant in each round. If you have received a small grant from us previously we would want to see evidence of completion of your first project before considering a further grant.

When is the Closing Date?

Completed applications need to be returned by 5pm on Friday 31 May 2019.

Where do we Return Forms?

Small Grants – It was agreed to run the small grants again. These will run from Easter until the 31 May 2019. People can apply from £50 to up to £500. DO, CW, LMH and HS will be on the grants committee.

Completed forms should be returned to:

Thurcroft Big Local The Hub, New Orchard Lane, Thurcroft S66 9AE

Or by email to: info@thurcroftbiglocal.org.uk

How will you Choose Successful Applicants?

A small panel will assess the bids received and how they will fit into the Thurcroft Big Local Plan. They will be looking at the benefits of the project to Thurcroft and its residents in particular what the project gives back to residents.

Where there are more bids than money allocated, preference will be given for projects:

- a) led by Thurcroft residents
- b) new applicants that haven't applied previously
- c) requesting smaller amounts of money
- d) that have matched funding (bringing in some cash from elsewhere)
- e) can show sustainability (show they may continue after this funding has been spent)
